Examiner's Statement of Reasons for Allowance

2. The following is an examiner's statement of reasons for allowance:

In the amendment filed on 12/8/2003 the applicants have limited claims to require that the rubber be in solution in organic solvent, by deleting second option or alternate that required rubber to be in aqueous emulsion.

The prior art of record as applied against present claims taught aqueous emulsion of particulate rubber, which limitation no longer applies to the present claims. In view of the above amendment all pending claims are passed to issue.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Katarzyna Wyrozewski Lee whose telephone number is (571) 272-1127. The examiner can normally be reached on Mon-Thurs 6:30 AM-4:00 PM.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Vasu Jagannathan can be reached on (571) 272-1119. The fax phone number for the organization where this application or proceeding is assigned is 703-872-9306.
